

Here's just some of what your SMA membership brings you:

The Best Conferences You'll Find Anywhere.

Connect with colleagues and share educational sessions aimed at your needs. Great tours, workshops, and fun events, too. Find out why SMA conferences are so popular.

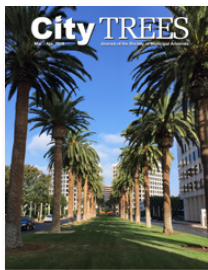

Municipal Forestry Institute

Learn leadership experientially with veterans in the field and your peers who are coming to MFI at all stages of their careers. Join municipal arborists, urban foresters, non-profit staff, tree board members, and consulting arborists in this vibrant learning environment.

Arborist Exchange Program

Experience municipal arboriculture, community forestry, or utility arboriculture from different perspectives by exchanging visits with your counterparts in other states and countries.

City Trees Magazine

You'll receive a free subscription to our acclaimed online magazine, an outstanding value packed with great information.

Networking & Problem-Solving

Stay connected with SMA's E-List, Forums, Facebook page, Twitter account and LinkedIn pages.

You'll have instant access to news, info and virtually immediate answers to your questions or requests for support.

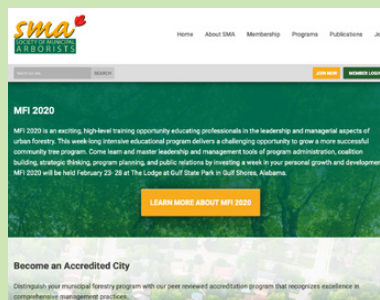

Program Accreditation

Have your local program SMA accredited and show your level of professionalism. Ensure local support and program growth.

The Most Current Information Available

As a member, you'll get the latest, critical information on issues to keep you up to date. You'll have direct access to publications, workshops, webcasts and training.

We know municipal tree programs and we have the information you need to be successful in your job.

Additional Benefits

Member discounts for SMA-sponsored events and access to the members only section of our website.

Building the confidence, competence and camaraderie of professionals who manage trees and forests to create and sustain more livable communities.

Membership Types:

Professional – Persons actively engaged in municipal arboriculture or in related fields such as: city forester, city arborist, shade tree commissioner, tree warden, or any persons officially in charge of city street or park tree planting and management, or their assistants. Also, county, state, or federal employees who are charged with responsibility of assisting municipalities with arboriculture needs. Noncommercial people in fields related to arboriculture can apply. This voting category receives an electronic copy of *City Trees*. **Annual dues are \$95.**

Student – This subcategory of Professional membership includes full-time students of a post-secondary school in a related field of study. This non-voting category receives an electronic copy of *City Trees*. **Annual dues are \$50.**

Senior – This subcategory of Professional membership includes retired municipal arborists. This voting category receives an electronic copy of *City Trees*. **Annual dues are \$50.**

Affiliate – Do you work or volunteer for a non-profit, state council, or an allied organization or profession that is related to urban forestry or municipal arboriculture? This non-voting category receives an electronic copy of *City Trees*. **Annual dues are \$50.**

Municipal – Join as a city or town. Municipal members are entitled to one voting member, and up to five non-voting members may be included at an additional \$35 per person. This category receives one electronic copy of *City Trees*. **Annual dues are \$150.**

Corporate – Membership for commercial companies representing products and services of the arboriculture field. Corporate members are entitled to one voting member, and employees of the company are entitled to discount non-voting membership at \$35 a year. This category receives one electronic copy of *City Trees*. **Annual dues are \$160.**
