

## Arborist Technician/Crew Lead

### Position Description

SuperTrees has been in the wholesale nursery business since 2005 providing quality trees to municipalities across the United States. The newly opened Denver Division will provide a variety of basic tree planting and care services to municipalities in the front range. We are seeking a reliable and knowledgeable arborist who has a strong desire to produce quality work and enhance relations with our growing client base. We pride ourselves on education, opportunity for professional growth, and providing a safe and enjoyable place to work. Come join the SuperTrees team today!

### Essential Duties

- Project management and execution within parks and public right of ways.
- Tree planting, staking, watering and mulching according to client specifications.
- Operation of trucks and trailers on a daily basis to deliver trees/equipment to job sites as needed.
- Attention to safety and detail with each task throughout the day.
- Operation of heavy equipment including stump grinder, skidsteer, and watering trailers.
- Ability and drive to work outside each day in adverse conditions.
- Ability to lift heavy items (between 50-85lbs) repetitively.
- Structural pruning of small to medium sized trees.

### Minimum Qualifications

- High school diploma or GED certificate
- Valid Colorado Drivers License at time of hire
- 1 year previous experience as an arborist or landscape professional

### Preferred Qualification

- ISA Certified Arborist
- ISA Certified Tree Worker
- Bachelor's Degree in Urban Forestry, Horticulture, or a related field

### Benefits and Pay

- Full time employment offered
- Starting salary range \$37,000 – \$52,000
- Annual profit share for full time staff
  - Distributed at end of year as bonus or 401K contribution
- 8 hours of paid vacation accrued per month as well as 6 paid holidays a year
- Educational expenses and certification reimbursement
- No health benefits offered at this time
